under section 771(9)(C) of the Act, as a domestic producer of the domestic like product.<sup>4</sup>

The Department received an adequate substantive response from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>5</sup> The Department did not receive a response from the Government of India or any respondent interested party to the proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this CVD order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

##### Scope of the Order

The scope of this order covers commodity matchbooks, also known as commodity book matches, paper matches or booklet matches.<sup>6</sup> Commodity matchbooks typically, but do not necessarily, consist of twenty match stems which are usually made from paperboard or similar material tipped with a match head composed of any chemical formula. The match stems may be stitched, stapled or otherwise fastened into a matchbook cover of any material, on which a striking strip composed of any chemical formula has been applied to assist in the ignition process.

Commodity matchbooks included in the scope of this order may or may not contain printing. For example, they may have no printing other than the identification of the manufacturer or importer. Commodity matchbooks may also be printed with a generic message such as "Thank You" or a generic image such as the American Flag, with store brands (e.g., Kroger, 7-Eleven, Shurfine or Giant); product brands for national or regional advertisers such as cigarettes or alcoholic beverages; or with corporate brands for national or regional distributors (e.g., Penley Corp. or Diamond Brands). They all enter retail distribution channels. Regardless of the materials used for the stems of the matches and regardless of the way the match stems are fastened to the

matchbook cover, all commodity matchbooks are included in the scope of this investigation. All matchbooks, including commodity matchbooks, typically comply with the United States Consumer Product Safety Commission (CPSC) Safety Standard for Matchbooks, codified at 16 CFR 1202.1 *et seq.*

The scope of this order excludes promotional matchbooks, often referred to as "not for resale," or "specialty advertising" matchbooks, as they do not enter into retail channels and are sold to businesses that provide hospitality, dining, drinking or entertainment services to their customers, and are given away by these businesses as promotional items. Such promotional matchbooks are distinguished by the physical characteristic of having the name and/or logo of a bar, restaurant, resort, hotel, club, café/coffee shop, grill, pub, eatery, lounge, casino, barbecue or individual establishment printed prominently on the matchbook cover. Promotional matchbook cover printing also typically includes the address and the phone number of the business or establishment being promoted.<sup>7</sup> Also excluded are all other matches that are not fastened into a matchbook cover such as wooden matches, stick matches, box matches, kitchen matches, pocket matches, penny matches, household matches, strike-anywhere matches (*aka* "SAW" matches), strike-on-box matches (*aka* "SOB" matches), fireplace matches, barbeque/grill matches, fire starters, and wax matches.

##### Background

On November 3, 2014, the Department published the notice of initiation of the first sunset review of the antidumping duty order on commodity matchbooks from India pursuant to section 751(c) of the Act.<sup>3</sup>

The Department received a notice of intent to participate from D.D. Bean & Sons Co. (D.D. Bean), a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i). The company claimed interested party status under section 771(9)(C) of the Act as a producer of a domestic like product in the United States.

The Department received a complete substantive response to the notice of initiation from D.D. Bean within the 30-day deadline specified in 19 CFR

They all enter retail distribution channels. Regardless of the materials used for the stems of the matches and regardless of the way the match stems are fastened to the matchbook cover, all commodity matchbooks are included in the scope of this order.
