

Complainant is also requested to state the date that the '659 patent expires and the HTSUS numbers under which the accused products are imported. The written submissions and proposed remedial orders must be filed no later than close of business on Friday, August 14, 2015. Reply submissions must be filed no later than the close of business on Monday, August 24, 2015. No further submissions on these issues will be permitted unless otherwise ordered by the Commission. The page limit for the parties' initial submissions is 100 pages. The parties reply submissions, if any, are limited to 50 pages.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 337-TA-907") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, [http://www.usitc.gov/secretary/fed\\_reg\\_notices/rules/handbook\\_on\\_electronic\\_filing.pdf](http://www.usitc.gov/secretary/fed_reg_notices/rules/handbook_on_electronic_filing.pdf)). Persons with questions regarding filing should contact the Secretary (202-205-2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with the any confidential filing. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

The Commission extends the target date to October 8, 2015.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 31, 2015.

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-522 and 731-TA-1258 (Final)]

### Certain Passenger Vehicle and Light Truck Tires From China

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of certain passenger vehicle and light truck tires from China, provided for in subheadings: 4011.10.10, 4011.10.50, 4011.20.10, and 4011.20.50 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be sold in the United States at less than fair value ("LTFV") and subsidized by the government of China.<sup>2,3</sup>

#### Background

The Commission, pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b)) and (19 U.S.C. 1673d(b)), instituted these investigations effective June 3, 2014, following receipt of petitions filed with the Commission and Commerce by United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers, International Union, Pittsburgh, PA. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of certain passenger vehicle and light truck tires from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and dumped within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S.

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

<sup>2</sup> Vice Chairman Dean A. Pinkert and Commissioners Irving A. Williamson and Rhonda K. Schmittlein voted in the affirmative. They further determine that imports subject to Commerce's affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on certain passenger vehicle and light truck tires from China.

<sup>3</sup> Chairman Meredith M. Broadbent and Commissioners David S. Johanson and F. Scott Kieff dissenting.

International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on February 24, 2015 (80 FR 9744). The hearing was held in Washington, DC, on June 9, 2015, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b)) and (19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on August 3, 2015. The views of the Commission are contained in USITC Publication 4545 (August 2015), entitled *Certain Passenger Vehicle and Light Truck Tires from China: Investigation Nos. 701-TA-522 and 731-TA-1258 (Final)*.

By order of the Commission.

Issued: August 3, 2015.
