Although there is no absolute certainty that Native Americans of the Mississippian period are directly related to modern federally recognized tribes, a relationship of shared group identity can reasonably be traced between these modern tribes and the human remains (and associated funerary objects) of the earlier culture identified as Mississippian. The preponderance of the evidence indicates that the cultural items from Mississippian and early historic occupations at 1MS91, 1MS106, 1JA102, and 1JA155 are culturally affiliated with Native Americans descendants of the Koasati/Kaskinampo. These descendants include the Alabama-Coushatta Tribe of Texas, the Alabama-Quassarte Tribal Town, the Coushatta Tribe of Louisiana, and the Muscogee (Creek) Nation. The evidence is as follows:

- Chronicles from Spanish explorers of the 16th century and French explorers of the 17th and 18th century indicates the presence of chiefdom level tribal entities in the southeastern United States which resemble the Mississippian chiefdoms.

- Linguistic analysis of place names noted by multiple Spanish explorers indicates that Koasati speaking groups inhabited northeastern Alabama.

- Early maps and research into the historic Native American occupation of northeastern Alabama indicates that the Koasati (as called by the English) or the Kaskinampo (as called by the French) were found at multiple sites in Jackson and Marshall Counties in the 17th and 18th centuries.

- Oral history, traditions and expert opinions of the descendants of Koasati/Kaskinampo indicate that this portion of the Tennessee River valley was a homeland of their tribe. The subsequent involuntary diaspora of these peoples resulted in descendants of the Koasati/Kaskinampo among multiple federally recognized tribes.

#### **Determinations Made by the Tennessee Valley Authority**

Officials of TVA have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of 44 individuals of Native American ancestry.

- Pursuant to 25 U.S.C. 3001(3)(A), the 8,520 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and associated funerary objects of the Mississippian and early historic occupations of these sites and the Coushatta Tribe of Louisiana, the Alabama-Coushatta Tribe of Texas, the Alabama-Quassarte Tribal Town and the Muscogee (Creek) Nation.

#### **Additional Requestors and Disposition**

Lineal descendants or representatives of any federally recognized Indian tribe not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Dr. Thomas O. Maher, TVA, 400 West Summit Hill Drive, WT11D, Knoxville, TN 37902-1401, telephone (865) 632-7458, email [tomaher@tva.gov](mailto:tomaher@tva.gov), by October 3, 2016. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to the Alabama-Coushatta Tribe of Texas, the Alabama-Quassarte Tribal Town, the Coushatta Tribe of Louisiana, and the Muscogee (Creek) Nation may proceed.

TVA is responsible for notifying the Alabama-Coushatta Tribe of Texas (previously listed as the Alabama-Coushatta Tribes of Texas); Alabama-Quassarte Tribal Town; Cherokee Nation; Coushatta Tribe of Louisiana; Eastern Band of Cherokee Indians; Eastern Shawnee Tribe of Oklahoma; Poarch Band of Creeks (previously listed as the Poarch Band of Creek Indians of Alabama); The Chickasaw Nation; The Choctaw Nation of Oklahoma; The Muscogee (Creek) Nation; Thlopthlocco Tribal Town; and the United Keetoowah Band of Cherokee Indians in Oklahoma, that this notice has been published.

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 (“the Act”), as amended, to determine whether revocation of the antidumping duty orders on carbon and alloy seamless standard, line, and pressure pipe from Japan and Romania would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

#### **SUPPLEMENTARY INFORMATION:**

*Background.*—On June 26, 2000, the Department of Commerce (“Commerce”) issued an antidumping duty order on the imports of small and large diameter carbon and alloy seamless standard, line, and pressure pipe from Japan (65 FR 39360). On August 10, 2000, Commerce issued an antidumping duty order on the imports of large diameter carbon and alloy seamless standard, line, and pressure pipe from Romania (65 FR 48963). Following first five-year reviews by Commerce and the Commission, effective May 8, 2006, Commerce issued a continuation of the antidumping duty orders on imports of certain carbon and alloy seamless standard, line, and pressure pipe from Japan and Romania (71 FR 26746). Following second five-year reviews by Commerce and the Commission, effective October 11, 2011, Commerce issued a continuation of the antidumping duty orders on imports of certain carbon and alloy seamless

standard, line, and pressure pipe from Japan and Romania (76 FR 62762). The Commission is now conducting third reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR parts 201, subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

*Definitions.*—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

(2) The *Subject Countries* in these reviews are Japan and Romania.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, its full first five-year review determinations, and its expedited second five-year review determinations, the Commission found two *Domestic Like Products* corresponding to the two scopes of the investigations: Small diameter carbon and alloy seamless standard, line, and pressure pipe and large diameter carbon and alloy seamless standard, line, and pressure pipe. Certain Commissioners defined the *Domestic Like Product* differently in the original determinations.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, its full first five-year review determinations, and its expedited second five-year review determinations, the Commission found two *Domestic Industries*: A small diameter carbon and alloy seamless standard, line, and pressure pipe industry and a large diameter carbon and alloy seamless

standard, line, and pressure pipe industry, encompassing all domestic producers of those products, respectively. Certain Commissioners defined the *Domestic Industry* differently in the original determinations.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

*Participation in the proceeding and public service list.*—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.*—Pursuant to section 207.7(a) of the Commission's

rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Certification.*—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

*Written submissions.*—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is October 3, 2016. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is November 15, 2016. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on E-Filing, available on the Commission's Web site at <http://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing. Also, in accordance with sections 201.16(c) and 207.3 of the

Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

No response to this request for information is required if a currently valid Office of Management and Budget (OMB) number is not displayed; the OMB number is 3117-0016/USITC No. 16-5-365, expiration date June 30, 2017. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436.

*Inability to provide requested information.*—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.

*Information To Be Provided in Response to This Notice of Institution:* Please provide the requested information separately for each *Domestic Like Product*, as defined by the Commission in its original and previous review determinations, and for each of the products identified by Commerce as *Subject Merchandise*. If you are a domestic producer, union/worker group, or trade/business association; import/export *Subject Merchandise* from more than one *Subject Country*; or produce *Subject Merchandise* in more than one *Subject Country*, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent *Subject Country*. As used below, the term "firm" includes any related firms.

(c) the quantity and value of your firm's(s') exports to the United States of *Subject Merchandise* and, if known, an estimate of the percentage of total exports to the United States of *Subject Merchandise* from each *Subject Country* accounted for by your firm's(s') exports.

(12) Identify significant changes, if any, in the supply and demand conditions or business cycle for the *Domestic Like Products* that have occurred in the United States or in the market for the *Subject Merchandise* in each *Subject Country* after 2010, and significant changes, if any, that are likely to occur within a reasonably foreseeable time. Supply conditions to consider include technology; production methods; development efforts; ability to increase production (including the shift of production facilities used for other products and the use, cost, or availability of major inputs into production); and factors related to the ability to shift supply among different national markets (including barriers to importation in foreign markets or changes in market demand abroad). Demand conditions to consider include end uses and applications; the existence and availability of substitute

products; and the level of competition among the *Domestic Like Products* produced in the United States, *Subject Merchandise* produced in each *Subject Country*, and such merchandise from other countries.

#### SUPPLEMENTARY INFORMATION:

**Background**—On August 19, 1992, the Department of Commerce ("Commerce") issued an antidumping duty order on imports of sulfanilic acid from China (57 FR 37524). On March 2, 1993, Commerce issued antidumping and countervailing duty orders on imports of sulfanilic acid from India (57 FR 12025 and 12026). Following five-year reviews by Commerce and the Commission, effective June 8, 2000, Commerce issued a continuation of the countervailing duty order on sulfanilic acid from India and the antidumping duty orders on sulfanilic acid from China and India (65 FR 36404). Following second five-year reviews by Commerce and the Commission, effective May 11, 2006, Commerce issued a continuation of the countervailing duty order on sulfanilic acid from India and the antidumping duty orders on sulfanilic acid from China and India (71 FR 27449). Following the third five-year reviews by Commerce and the Commission, effective October 25, 2011, Commerce issued a continuation of the countervailing duty order on imports of sulfanilic acid from India and the antidumping duty orders on imports of sulfanilic acid from China and India (76 FR 66039). The Commission is now conducting fourth reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.
