AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the antidumping duty orders on uncovered innerspring units from the People's Republic of China (China), South Africa, and Socialist Republic of Vietnam (Vietnam) would be likely to lead to continuation or recurrence of dumping as indicated in the "Final Results of Sunset Reviews" section of this notice.

DATES: Applicable July 10, 2019.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2019, Commerce published the initiation of the second five-year (sunset) reviews of the antidumping duty orders on uncovered innerspring units from China, South Africa, and Vietnam, pursuant to section 751(c) of the Tariff Act of 1930 (the Act), as amended.¹ Commerce received notices of intent to participate in these sunset reviews from Leggett & Platt, Incorporated (the domestic interested party), within the 15-day period specified in 19 CFR 351.218(d)(1)(i). The domestic interested party claimed interested party status under section 771(9)(C) of the Act as a producer of the domestic like product.

Commerce received adequate substantive responses to the *Notice of Initiation* from the domestic interested party within the 30-day period specified in 19 CFR 351.218(d)(3)(i). Commerce received no substantive response from any respondent interested parties. In accordance with section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited (120-day) sunset reviews of the antidumping duty orders

on uncovered innerspring units from China, South Africa, and Vietnam.²

Scope of the Orders

The products subject to these orders are uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (*e.g.*, twin, twin long, full, full long, queen, California king, and king) and units used in smaller constructions, such as crib and youth mattresses. The complete scope language of these orders is listed in the Issues and Decision Memorandum,³ which is hereby adopted by this notice.

The products subject to the orders are currently classifiable under subheading 9404.29.9010 and have also been classified under subheadings 9404.10.0000, 7326.20.0070, 7320.20.5010, or 7320.90.5010 of the Harmonized Tariff Schedule of the United States (HTSUS). On January 11, 2011, Commerce included the 9404.29.9005 and 9404.29.9011 HTSUS classification number to the customs case reference file, pursuant to a request by U.S. Customs and Border Protection (CBP). On January 7, 2013, Commerce included the 7326.20.0071 HTSUS classification number to the customs case reference file, pursuant to a request by CBP. The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of these orders is dispositive.

Analysis of Comments Received

All issues raised in these reviews are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of dumping margins likely to prevail if the orders were revoked. Parties can find a complete discussion of all issues raised in these reviews and the corresponding recommendations in this public memorandum, which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized
