

one or more of claims 1–6 and 11–26 of U.S. Patent No. 9,220,631 (“the ‘631 patent”). *Id.* The complaint also alleges the existence of a domestic industry. *Id.* The notice of investigation names Regeneron Pharmaceuticals Inc. of Tarrytown, New York (“Regeneron”) as the sole respondent and the Office of Unfair Import Investigations (“OUII”) as a party. *Id.* at 45228.

On February 18, 2021, Novartis filed a motion for summary determination that Regeneron directly infringes the ‘631 patent and that Novartis satisfied the domestic industry requirement. On March 1, 2021, OUII filed a response in support of the motion, and Regeneron filed a response opposing Novartis’s argument that it satisfied the economic prong of the domestic industry requirement.

On April 2, 2021, the presiding administrative law judge (“ALJ”) issued the first ID (Order No. 31), granting summary determination of infringement and domestic industry. No petitions for review of the ID were received.

On April 8, 2021, Novartis filed an unopposed motion to terminate the investigation in its entirety based on its withdrawal of the complaint. The motion indicated that Regeneron and OUII did not oppose the motion, and Regeneron did not file a response to the motion. OUII filed a response in support of the motion. The motion to terminate the investigation was filed before the deadline to petition for review of Order No. 31 had passed. *See* 19 CFR 210.43(a).

On April 8, 2021, the ALJ issued the second ID (Order No. 33), granting the motion and terminating the investigation. Order No. 33 was issued before the deadline to petition for review of Order No. 31 had passed. No petitions for review of the second ID were filed.

The Commission has determined to review the first ID, Order No. 31, in its entirety, and on review, to vacate that ID as moot because the summary determination issues became moot in light of Novartis’s motion to withdraw its complaint and terminate the investigation. Vice Chair Stayin and Commissioner Johanson do not join the Commission’s decision to review and vacate Order No. 31. In the absence of a request from any party to review or vacate the Order, or any other grounds for review set forth in 19 CFR 210.44, they would not review Order No. 31.

The Commission has further determined not to review the second ID, Order No. 33, terminating the investigation. The investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on May 3, 2021.

The authority for the Commission’s determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

*Background.*—On January 4, 2021, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 61980, October 1, 2020) of the

subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

*Staff report.*—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on May 4, 2021, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

*Written submissions.*—As provided in § 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before May 7, 2021 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by May 7, 2021. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new

<sup>1</sup> A record of the Commissioners’ votes is available from the Office of the Secretary and at the Commission’s website.

<sup>2</sup> The Commission has found a response to its notice of institution filed on behalf of Sun Chemical Corp., a domestic producer of carbazole violet pigment 23, to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Determination.**—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.
