In July 2018, he signed the Executive Order 13845 Establishing the President's National Council for the American Worker as amended by Executive Order 13853 (83 FR 35099 as amended by 83 FR 65073), "to work with private employers, educational institutions, labor unions, other non-profit organizations, and State, territorial, tribal, and local governments to update and reshape our education and job training landscape so that it better meets the needs of American students, workers, and businesses." The National Council is creating a national workforce strategy in accordance with the Trump Administration's workforce policy priorities and achievements.

In July 2018, President Trump also launched the Pledge to America's Workers, through which companies and trade groups commit to expanding programs that educate, train, and reskill American workers from high-school age to near-retirement. As of March 2020, more than 430 companies, trade associations, and unions have signed the Pledge, contributing to over 15.8 million new education and training opportunities for American students and workers over the next five years.

The Department of Commerce through the National Institute of Standards and Technology's Baldrige Performance Excellence program is creating a new Presidential Award to recognize demonstrated excellence in implementing the Pledge to America's Workers. This program fulfills the requirements of both Executive Orders, each of which called for the creation of programs to recognize excellence in

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on certain kitchen appliance shelving and racks (kitchen racks) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of countervailing subsidies at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable June 8, 2020.

FOR FURTHER INFORMATION CONTACT: Rachel Greenberg AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW,

SUPPLEMENTARY INFORMATION:

Background

On September 14, 2009, Commerce published in the *Federal Register* the CVD order on kitchen racks from China.¹ On February 3, 2020, Commerce published the notice of initiation of the second sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On February 14, 2020, Commerce received a timely-filed notice of intent to participate from Nashville Wire Products, Inc. and SSW Holding Company, LLC (collectively, the domestic interested parties), within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as producers of the domestic like product in the United States.

On March 4, 2020, Commerce received an adequate substantive response to the *Initiation Notice* from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties, including the Government of China, nor was a hearing requested. On March 24, 2020, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)–(C), Commerce conducted an expedited (120-day) sunset review of the *Order*.

Scope of the Order

The scope of this order consists of shelving and racks for refrigerators,

freezers, combined refrigerator-freezers, other refrigerating or freezing equipment, cooking stoves, ranges, and ovens (“certain kitchen appliance shelving and racks” or “the subject merchandise”). Certain kitchen appliance shelving and racks are defined as shelving, baskets, racks (with or without extension slides, which are carbon or stainless steel hardware devices that are connected to shelving, baskets, or racks to enable sliding), side racks (which are welded wire support structures for oven racks that attach to the interior walls of an oven cavity that does not include support ribs as a design feature), and subframes (which are welded wire support structures that interface with formed support ribs inside an oven cavity to support oven rack assemblies utilizing extension slides) with the following dimensions:
 —Shelving and racks with dimensions ranging from 3 inches by 5 inches by 0.10 inch to 28 inches by 34 inches by 6 inches; or
 —Baskets with dimensions ranging from 2 inches by 4 inches by 3 inches to 28 inches by 34 inches by 16 inches; or
 —Side racks from 6 inches by 8 inches by 0.10 inch to 16 inches by 30 inches by 4 inches; or
 —Subframes from 6 inches by 10 inches by 0.10 inch to 28 inches by 34 inches by 6 inches.

The subject merchandise is comprised of carbon or stainless steel wire ranging in thickness from 0.050 inch to 0.500 inch and may include sheet metal of either carbon or stainless steel ranging in thickness from 0.020 inch to 0.20 inch. The subject merchandise may be coated or uncoated and may be formed and/or welded. Excluded from the scope of this order is shelving in which the support surface is glass.

The merchandise subject to this order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) statistical reporting numbers 8418.99.8050, 8418.99.8060, 7321.90.5000, 7321.90.6090, 8516.90.8000, 8516.90.8010, 7321.90.6040, 8514.90.4000 and 8419.90.9520. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Analysis of Commerce Received

All issues raised in this sunset review are addressed in the accompanying Issues and Decision Memorandum,⁶ which is hereby adopted by this notice. The issues discussed in the Issues and Decision Memorandum are the likelihood of continuation or recurrence of a countervailable subsidy and the net countervailable subsidy likely to prevail if the *Order* were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.
