SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 25, 2021, based on a complaint filed on behalf of Wilson Electronics LLC of St. George, Utah ("Wilson"). 86 FR 11553-554 (Feb. 25, 2021). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain cellular signal boosters, repeaters, bi-directional amplifiers, and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 7,221,967 ("the '967 patent"); 7,409,186; 7,486,929; 7,729,669 ("the '669 patent"); 7,783,318 ("the '318 patent"); 8,583,033 ("the '033 patent"); 8,583,034; 8,639,180; 8,755,399; 8,849,187; 8,874,029; and 8,874,030. The complaint, as supplemented, further alleged that an industry in the United States exists as required by the applicable Federal Statute. The Commission instituted three separate investigations, and defined the scope of the present investigation as whether there is a violation of section 337 based on the allegations of infringement as to the asserted claims of the '967, '669, '318, and '033 patents as to the accused products identified in the notice of investigation. *Id.* The notice of investigation named as respondents: Cellphone-Mate, Inc. d/b/a SureCall of Fremont, California and Shenzhen SureCall Communication Technology Co., Ltd. of Shenzhen, China (collectively, "SureCall").

On May 12, 2021, Wilson and SureCall filed a joint motion to terminate the investigation based on a settlement agreement.

On May 14, 2021, the ALJ issued the subject ID granting the joint motion to terminate pursuant to Commission Rule 210.21(b)(1) (19 CFR 210.21(b)(1)). *See* Order No. 7 at 1-2 (May 14, 2021). The ALJ found that the motion to terminate complies with the Commission's rules and that there is no evidence that terminating this investigation by

settlement would be contrary to the public interest. *Id.* at 2. No petitions for review were filed.

The Commission has determined not to review the subject ID. The investigation is terminated in its entirety.

The Commission vote for this determination took place on May 27, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Issued: May 27, 2021.

Lisa Barton,

Secretary to the Commission.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the countervailing and antidumping duty orders on melamine from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: February 5, 2021.

Nitin Joshi (202-708-1669), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On February 5, 2021, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 69359, November 2, 2020) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on May 26, 2021, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before June 2, 2021 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information)

¹ A record of the Commissioners' votes is available from the Office of the Secretary and at the Commission's website.

² The Commission has found the response to its notice of institution filed on behalf of Cornerstone Chemical Company, Inc., a domestic producer of melamine, to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

pertinent to the reviews by June 2, 2021. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Issued: May 26, 2021.

Secretary to the Commission.
