Animal and Plant Health Inspection Service

Title: Endangered Species Regulations and Forfeiture Procedures.

OMB Control Number: 0579-0076.

Summary of Collection: The Endangered Species Act of 1973 (16 U.S.C. 1513 *et seq.*) directs Federal departments to utilize their authorities under the Act to conserve endangered and threatened species. Section 3 of the Act specifies that the Secretary of Agriculture is authorized to promulgate such regulations as may be appropriate to enforce the Act. The regulations contained in 7 CFR 355 are intended to carry out the provisions of the Endangered Species Act. USDA's Animal and Plant Health Inspection Service (APHIS), Plant Protection and Quarantine (PPQ) program is responsible for implementing these regulations. To enforce the regulations, APHIS will collect information using several forms and activities.

Need and Use of the Information: APHIS will use the following information activities to conserve endangered and threatened species of terrestrial plants: Applications for protected plant permit form PPQ 621, appeals of denial of general permit,

marking and notification requirements, notices of arrival form PPQ 368, notices of exportation, validation of documents, waivers of forfeiture procedures by owners of seized property form PPQ 623, claim form PPQ 625, requests for return of property, petitions for remission or mitigation of forfeiture, reports form PPQ 626, and reporting and recordkeeping. Without the collected information, APHIS would not be able to carry out its responsibilities under The Endangered Species Act, and the United States would not be able to fulfill its responsibilities as a signatory to the Convention on International Trade in Endangered Species (CITES) Treaty. The consequences of either would directly impact the protection of endangered plant species around the world.

Cold-Rolled Steel Flat Products From India: Final Results of the Expedited Five-Year Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this sunset review, the Department of Commerce (Commerce) finds that revoking the countervailing duty (CVD) order on cold-rolled steel flat products (cold-rolled steel) from India would likely

lead to continuation or recurrence of countervailable subsidies at the levels indicated in the “Final Results of Review” section of this notice.

DATES: Applicable October 1, 2021.

FOR FURTHER INFORMATION CONTACT: Thomas Hanna, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0835.

SUPPLEMENTARY INFORMATION:

Background

On September 20, 2016, Commerce published in the **Federal Register** the *Order*.¹ On June 1, 2021, the Department of Commerce (Commerce) published the notice of initiation of the sunset reviews of the *Order*, pursuant to section 751(c) of the Act.² On June 14 and 16, 2021, Commerce received a notice of intent to participate from Cleveland-Cliffs Inc. (Cleveland-Cliffs), United States Steel Corporation (U.S. Steel), California Steel Industries (California Steel), Steel Dynamics Inc. (Steel Dynamics), and Nucor Corporation (Nucor), within the deadline specified in 19 CFR 351.218(d)(1)(i).³ Cleveland-Cliffs, U.S. Steel, California Steel, Steel Dynamics, and Nucor claimed interested party status under section 771(9)(C) of the Act, as domestic producers of cold-rolled steel flat products in the United States.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce’s regulations, Commerce’s schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce’s website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce’s regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual

submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce’s regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at

19 CFR 351.304–306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

Information Required From Interested Parties

Domestic interested parties, as defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce’s regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce
