INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1071 (Third Review)]

Alloy Magnesium From China; Scheduling of Expedited Five-Rear Review

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping duty order on alloy magnesium from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: September 7, 2021.

FOR FURTHER INFORMATION CONTACT: Nayana Kollanthara (202–205–2043), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background—On September 7, 2021, the Commission determined that the domestic interested party group response to its notice of institution (86

FR 29280, June 1, 2021) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings as this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on October 6, 2021. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before October 14, 2021 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by October 14, 2021. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new

¹ A record of the Commissioners' votes is available from the Office of the Secretary and at the Commission's website.

² The Commission has found the response to its notice of institution filed by US Magnesium LLC, a domestic producer of magnesium, to be adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: October 1, 2021.

Katherine Hiner,

Supervisory Attorney.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On September 30, 2021, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of Texas in the lawsuit entitled *United States v. WTG Gas Processing, LP; WTG South Permian Midstream LLC; and Davis Gas Processing, Inc.*, Civil Action No. 1:21-cv-182-H.

The United States filed this lawsuit under the Clean Air Act. The complaint seeks injunctive relief and civil penalties based on violations of Clean Air Act Section 112(r), 42 U.S.C. 7412(r), and the Chemical Accident Prevention Provisions promulgated at 40 CFR part 68, including violations that stem from releases of hazardous air pollutants. The alleged violations occurred at three natural gas processing and plants and one natural gas treatment plant owned and operated by the defendants, WTG Gas Processing, LP; WTG South Permian Midstream LLC; and Davis Gas Processing, Inc., in the cities of Coahoma, Midkiff, Cisco, and Big Lake, Texas. The consent decree requires the defendants to perform injunctive relief and pay a \$3,125,000 civil penalty.

The publication of this notice opens a period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should
