

**INTERNATIONAL TRADE
COMMISSION**

[Investigation Nos. 731-TA-1587-1590
(Preliminary)]

**Certain Preserved Mushrooms From
France, Netherlands, Poland, and
Spain**

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of certain preserved mushrooms from France, Netherlands, Poland, and Spain, provided for in subheading 2003.10.01 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”).²

**Commencement of Final Phase
Investigations**

Pursuant to section 207.18 of the Commission’s rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission’s rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under § 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under § 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On March 31, 2022, Giorgio Foods Inc., Blandon, Pennsylvania filed petitions with the Commission and

Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of certain preserved mushrooms from France, Netherlands, Poland, and Spain. Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 7, 2022 (87 FR 20460). The Commission conducted its conference on April 21, 2022. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to § 733(a) of the Act (19 U.S.C. 1673b(a)). It completed and filed its determinations in these investigations on May 16, 2022. The views of the Commission are contained in USITC Publication 5329 (May 2022), entitled *Certain Preserved Mushrooms from France, Netherlands, Poland, and Spain: Investigation Nos. 731-TA-1587-1590 (Preliminary)*.

I. Background

The Department is announcing final PY 2022 allotments for the NFJP. This notice provides information on the amount of funds available during PY 2022 to state service areas awarded through the PY 2020 Funding Opportunity Announcement (FOA) for the NFJP Career Services and Training and Housing Grants. The allotments are based on the funds appropriated in the Consolidated Appropriations Act, 2022, Public Law 117-103 (from this point forward will be referred to as the “the Act”).

In appropriating these funds, Congress provided \$88,283,000 for formula grants (of which \$88,160,000 was allotted after \$123,000 was set aside for program integrity), \$6,456,000 for migrant and seasonal farmworker housing (of which \$6,447,000 was allotted after \$9,000 was set aside for program integrity and of which not less than 70 percent shall be for permanent housing), and another \$657,000 was set aside for discretionary purposes. The Housing grant allotments are distributed as a result of a competition and according to language in the appropriations law requiring that of the total amount available, not less than 70 percent shall be allocated to permanent housing activities, leaving not more than 30 percent to temporary housing activities.

This Notice includes the following sections:

- Section II of this notice provides a discussion of the data used to populate the formula.
- Section III describes the hold-harmless provision for the implementation year.
- Section IV describes minimum funding provisions to address State service areas that would receive less than \$60,000.
- Section V describes the application of the formula and the hold-harmless provision using preliminary planning estimates for PY 2022.
