

## EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

### *Narrow Woven Ribbons with Woven Selvedge from China and Taiwan* Inv. Nos. 701-TA-467 and 731-TA-1164-1165 (Second Review)

On November 5, 2021, the Commission determined to conduct expedited five-year reviews in the above-referenced proceedings pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission received one response to its notice of institution filed on behalf of Berwick Offray LLC and its wholly owned subsidiary Lion Ribbon Company (“Berwick”), a domestic producer of narrow woven ribbons with woven selvedge (“narrow woven ribbons”). The Commission found that the individual response from Berwick was adequate. Because Berwick accounted for a substantial share of all domestic production of narrow woven ribbons in 2020, the Commission determined that the domestic interested party group response was adequate.

The Commission did not receive a response to its notice of institution from any respondent interested party. The Commission therefore determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting full reviews. The Commission therefore determined to conduct expedited reviews of the orders.

A record of the Commissioners’ votes is available from the Office of the Secretary and the Commission’s website ([www.usitc.gov](http://www.usitc.gov)).
