#### Note:

1. Access to an electronic copy of this memorandum is available at [http://www.usitc.gov/tariff\\_affairs/congress\\_reports/](http://www.usitc.gov/tariff_affairs/congress_reports/).
2. In regard to the country(ies) of origin listed in section III, this report focuses on dutiable imports and does not take into account any tariff preference programs or special rates of duty.

**II. Suggested article description(s) for enactment (including appropriate HTS subheading(s)):**

Mixtures of 1-[(6-chloro-3-pyridinyl)methyl]-N-nitro-2-imidazolidinimine (Imidacloprid) (CAS No. 138261-41-3) and application adjuvants (provided for in subheading 3808.91.25)

(If enacted, the tariff relief provided for in this bill would be available to any entity that imports the product that is covered by the bill.)

Description above compared with bill as introduced:

- Same
- Different (see Technical Comments section)

**III. Other product information, including uses/applications and source(s) of imports**

The subject product is a soil-applied insecticide that controls insects in a variety of fruit and vegetable crops, including grapes and potatoes. It is imported from Germany. In addition to extending the temporary duty reduction, the bill would also change the rate of duty of the Chapter 99 provision from 4.2 percent to 2.2 percent.

**IV. Estimated effect on customs revenue**

Subject product HTS subheading(s)	3808.91.25				
Item	2013	2014	2015	2016	2017
Col.1-general rate of duty or percentage point reduction (%)	4.3	4.3	4.3	4.3	4.3
Estimated value of dutiable imports (\$)	12,000,000	12,000,000	12,000,000	12,000,000	12,000,000
Customs revenue loss (\$)	516,000	516,000	516,000	516,000	516,000

Note: Customs revenue loss is provided for 5 years, although the effective period of the proposed legislation may differ. Regarding the HTS subheading listed in the article description of the bill, the Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only U.S. Customs and Border Protection is authorized to issue a binding ruling on this matter. The Commission believes that Customs should be consulted prior to enactment of the bill.

Dutiable imports were based on (more than one may apply):

- Official statistics of the U.S. Department of Commerce
- Provided by industry sources
- Industry information
- Commission estimates

Duty reduction notes:

- This bill is not a duty reduction
- This bill is a temporary duty reduction. Rates are shown below.

Col.1-general duty rate (%)  Temporary rate (%)  Percentage point reduction (%)

**V. Technical comments**

The modified article description reflects deletion of the first use of the word "Imidacloprid" in the existing Chapter 99 provision (leaving the second one), as well as editorial changes in the provision.

**VI. Continuation**
