The Commission believes that Customs should be consulted prior to enactment of the bill.

## V. Technical comments

The description of the subject product in the bill was modified to conform to the description used in HTS subheading 3808.93.05. Since the Column 1 rate for this provision is "Free" a suspension of duty is not necessary and the bill should be withdrawn.

## VI. Continuation

Estimated effects on customs revenue -- continued:  
There would be no Customs revenue loss for this product since the column 1 duty rate for HTS subheading 3808.93.05 is

"Free."
