2. In regard to the country(ies) of origin listed in section III, this report focuses on dutiable imports and does not take into account any tariff preference programs or special rates of duty.

**II. Suggested article description(s) for enactment (including appropriate HTS subheading(s)):**

Duffel bags with outer surface of man-made fibers, valued over \$30 each, each having wheels, a telescoping handle and stowable shoulder straps, with interior capacity not exceeding 85 liters, such goods excluding duffel bags having a removable separate backpack or daypack attached by zipper or other means (provided for in subheading 4202.92.30)

(If enacted, the tariff relief provided for in this bill would be available to any entity that imports the product that is covered by the bill.)

Description above compared with bill as introduced:

- Same
- Different (see Technical Comments section)

**III. Other product information, including uses/applications and source(s) of imports**

The subject products are rolling duffel bags with specialty features (described above) intended for rugged traveling and/or outdoor use. They are imported under HTS statistical reporting number 4202.92.3031. These travel goods do not have detachable backpacks or daypacks. The majority of U.S. imports are from China, followed by smaller amounts from Vietnam. Opposition to this bill is noted in the Contacts table.

**IV. Estimated effect on customs revenue**

Subject product HTS subheading(s)	4202.92.30

Note: Customs revenue loss is provided for 5 years, although the effective period of the proposed legislation may differ. Regarding the HTS subheading listed in the article description of the bill, the Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only U.S. Customs and Border Protection is authorized to issue a binding ruling on this matter. The Commission believes that Customs should be consulted prior to enactment of the bill.

- Official statistics of the U.S. Department of Commerce
- Provided by industry sources
- Industry information
- Commission estimates
