1. Access to an electronic copy of this memorandum is available at http://www.usitc.gov/tariff_affairs/congress_reports/.
2. In regard to the country(ies) of origin listed in section III, this report focuses on dutiable imports and does not take into account any tariff preference programs or special rates of duty.

II. Suggested article description(s) for enactment (including appropriate HTS subheading(s)):

The bill would suspend temporarily the column 1- general duty rates on a variety of footwear for men, women, and children by adding numerous tariff subheadings in chapter 99. The covered products include: low-priced and children’s footwear, various high-duty sports and protective footwear in HTS headings 6401 (waterproof footwear with outer soles and uppers of rubber or plastics, the uppers of which are neither fixed to the sole nor assembled by stitching, riveting, nailing, screwing, plugging or similar processes), 6402, 6403 (footwear with outer soles of rubber, plastics, leather or composition leather and uppers of leather), 6404 (footwear with outer soles of rubber, plastics, leather or composition leather and uppers of textile materials) and 6405 (miscellaneous other footwear). The legislation excludes 20 distinct footwear product groupings that are still made in the United States. As introduced, the bill represents a consensus approach of U.S. footwear producers, importers, and retailers.

Description above compared with bill as introduced:

- Same
- Different (see Technical Comments section)

III. Other product information, including uses/applications and source(s) of imports

Dutiable U.S. imports of the subject footwear totaled an estimated \$11.9 billion in 2011. For virtually all the subject footwear products, China was the leading supplier followed by Vietnam and Indonesia which have emerged as rapidly growing footwear suppliers in recent years. Industry sources estimate that there are hundreds of importers of the affected footwear and that the footwear covered by the bill accounts for about 35 percent of the shoes sold in the United States in 2011.

IV. Estimated effect on customs revenue

Subject product HTS subheading(s)	Total Estimated Customs Revenue Losses				
	2013	2014	2015	2016	2017
Item					
Col.1-general rate of duty (%)	10.6	10.6	10.6	10.6	10.6

Customs revenue loss (\$)	1,299,984,000	1,325,000,000	1,378,000,000	1,431,000,000	1,484,000,000

Note: Customs revenue loss is provided for 5 years, although the effective period of the proposed legislation may differ. Regarding the HTS subheading listed in the article description of the bill, the Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only U.S. Customs and Border Protection is authorized to issue a binding ruling on this matter. The Commission believes that Customs should be consulted prior to enactment of the bill.

Dutiable imports were based on (more than one may apply):

- Official statistics of the U.S. Department of Commerce
- Provided by industry sources
- Industry information
- Commission estimates

Duty reduction notes:

- This bill is not a duty reduction
- This bill is a temporary duty reduction. Rates are shown below.

V. Technical comments

VI. Continuation

Suggested Article Description... -- continued:

If enacted, the tariff relief provided for in this bill would be available to any entity that imports the product that is covered by the bill.

Estimated effect on customs revenue -- continued:

In the summary table shown above, the Col.1 -general rate of duty shown is the calculated average trade-weighted U.S. duty rate.

Commission staff provided estimates for customs revenue losses for individual affected footwear products in the tables that follow. Products for which reasonable estimates of customs revenue losses could not be made are grouped together as "other" following the list of all footwear items for which customs revenue losses could be made.

112TH CONGRESS
1ST SESSION

S. 1069

To suspend temporarily the duty on certain footwear, and for other purposes.

IN THE SENATE OF THE UNITED STATES

MAY 25, 2011

Ms. CANTWELL (for herself, Mr. BLUNT, Mrs. MURRAY, and Mr. ROBERTS)
introduced the following bill; which was read twice and referred to the
Committee on Finance

A BILL

To suspend temporarily the duty on certain footwear, and
for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Affordable Footwear
5 Act of 2011”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Average collected duties on imported foot-
9 wear are among the highest of any product sector,
10 totaling approximately \$2,000,000,000 during 2010.

1 (2) Duty rates on imported footwear are among
2 the highest imposed by the United States Govern-
3 ment, with some as high as the equivalent of 67.5
4 percent ad valorem.

5 (3) The duties currently imposed by the United
6 States were set in an era during which high rates of
7 duty were intended to protect production of footwear
8 in the United States.

9 (4) Footwear produced in the United States
10 supplies only about 1 percent of the total United
11 States market for footwear. This production is con-
12 centrated in distinct product groupings, which are
13 not affected by the provisions of this Act.

14 (5) Footwear duties, which are higher on lower-
15 price footwear, serve no purpose and are a hidden,
16 regressive tax on those people in the United States
17 least able to pay.

18 (6) Low- and moderate-income families spend a
19 larger share of their disposable income on footwear
20 than higher-income families.

21 (7) The outdoor industry develops innovative
22 and high performance footwear that promotes
23 healthy and active lifestyles through outdoor recre-
24 ation.

1 **SEC. 3. SENSE OF CONGRESS.**

2 It is the sense of Congress that—

3 (1) there is no production in the United States
4 of many footwear articles;

5 (2) the reduction or elimination of duties on
6 such articles will not negatively affect manufacturing
7 or employment in the United States; and

8 (3) the reduction or elimination of duties on
9 such articles will result in reduced retail prices for
10 a wide range of consumers.

11 **SEC. 4. AMENDMENT TO THE HARMONIZED TARIFF SCHED-**
12 **ULE OF THE UNITED STATES.**

13 The Additional Notes to chapter 64 of the Har-
14 monized Tariff Schedule of the United States are amended
15 by adding at the end the following:

16 “5. For the purposes of determining the con-
17 stituent material of the outer sole pursuant to Note
18 4(b) of this chapter, the constituent material of an
19 outer sole consisting of rubber or plastics to which
20 textile materials are attached or into which such ma-
21 terials are otherwise incorporated shall be deemed to
22 be only rubber or plastics, and no account shall be
23 taken of the textile materials.”.

1 **SEC. 5. TEMPORARY ELIMINATION OR REDUCTION OF DU-**
2 **TIES ON CERTAIN FOOTWEAR.**

3 (a) DEFINITIONS.—The U.S. Notes to subchapter II
4 of chapter 99 of the Harmonized Tariff Schedule of the

15 measured in the same manner at the area
16 of the heel, has a thickness equal to or less
17 than that at the ball of the foot.

18 “(e) For purposes of subheadings
19 9902.64.28, 9902.64.32, and 9902.64.51, the
