PART I.--GENERAL QUESTIONS

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____ hours _____ dollars

I-1b. We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. Please provide the names and addresses of the FIVE largest U.S. importers of your firm’s greige polyester/cotton printcloth of chief weight cotton in 2004.

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

I-4. In Parts II and III of this questionnaire we request a copy of your company’s business plan. Does your company or any related firm have a business plan or any internal documents that describe, discuss, or analyze expected future market conditions for greige polyester/cotton printcloth?

- No Yes--Please provide the requested documents. If you are not providing the requested documents, please explain why not.

I-5. Does your firm or any related firm produce, have the capability to produce, or have any plans to produce greige polyester/cotton printcloth in the United States or other countries?

- No Yes--Please name the firm(s) and country(ies) below and, if U.S. producer(s), ensure that they complete the Commission’s producer questionnaire (contact Gail Burns at gail.burns@usitc.gov for copies of that questionnaire).

I-6. Does your firm or any related firm import or have any plans to import greige polyester/cotton printcloth into the United States?

- No Yes--Please name the firm(s) below and ensure that they complete the Commission’s importer questionnaire (contact Gail Burns at gail.burns@usitc.gov for copies of that questionnaire).

I-7. The Commission has received information that a large number of domestic producers have stopped production of greige polyester/cotton printcloth over the past five years. Please provide your understanding as to whether this information is correct. If so, please explain how it has impacted your production of greige polyester/cotton printcloth, or your exports of greige polyester/cotton printcloth, to the United States and to other countries.

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

II-1. Has your firm experienced any plant openings, relocations, expansions, acquisitions, consolidations, closures, or prolonged shutdowns because of strikes or equipment failure; curtailment of production because of shortages of materials; or any other change in the character of your operations or organization relating to the production of greige polyester/cotton printcloth since September 16, 1983 (the date on which the antidumping duty order under review became effective)?

No Yes--Supply details as to the time, nature, and significance of such changes.

II-2. Does your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of greige polyester/cotton printcloth in the future?

No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue. **Include in your response a specific projection of your firm’s capacity to produce greige polyester/cotton printcloth (in 1,000 square yards) for 2005 and 2006.**

II-3. Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of greige polyester/cotton printcloth in the future if the antidumping duty order on greige polyester/cotton printcloth of chief weight cotton from China were to be revoked?

No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART II.--TRADE AND RELATED INFORMATION

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

II-4. Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of greige polyester/cotton printcloth in China in the future?

No

Yes--Please describe those plans, including planned dates and capacity/production quantities involved, and the reason(s) for such change(s). If the plans are to add or expand capacity or production, list (in descending order of importance) the markets (countries) to which such additional capacity or production would be directed. Provide relevant portions of business plans or other supporting documentation that addresses this issue.

II-5. Describe the production technology used in the production of greige polyester/cotton printcloth in China and identify major production inputs. Also discuss any significant changes in production technology since 1983 (the year the antidumping duty order under review became effective).

PART II.--TRADE AND RELATED INFORMATION

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of

chief weight cotton, please provide separate answers for those products.

II-6. Has your firm since 1983 produced, or does your firm anticipate producing in the future, other products on the same equipment and machinery used in the production of greige polyester/cotton printcloth of chief weight cotton?

- No Yes--List the following information and report your firm's combined production capacity and production of these products and greige polyester/cotton printcloth in the periods indicated.

| <u>Product</u> | <u>Period</u> | <u>Basis for allocation of capacity data</u> |

PART III.--MARKET FACTORS

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-1. Approximately what share of your firm’s sales of greige polyester/cotton printcloth to U.S. customers in 2004 were on a (1) long-term contract basis (multiple deliveries for more than 12 months), (2) short-term contract basis (multiple deliveries up to 12 months), and (3) spot sales basis (for a single delivery)?

| Type of sale | Share of sales (percent) |
|----------------------|--------------------------|
| Long-term contracts | |
| Short-term contracts | |
| Spot sales | |

III-2. If you sell on a long-term contract basis, please answer the following questions with respect to provisions of a typical long-term contract.

- (a) What is the average duration of a contract? _____
- (b) Can prices be renegotiated during the contract period? _____
- (c) Does the contract fix quantity, price, or both? _____
- (d) Does the contract have a meet or release provision? _____

III-3. If you sell on a short-term contract basis, please answer the following questions with respect to provisions of a typical short-term contract.

- (a) What is the average duration of a contract? _____
- (b) Can prices be renegotiated during the contract period? _____
- (c) Does the contract fix quantity, price, or both? _____
- (d) Does the contract have a meet or release provision? _____

III-4. What is the average lead time between a U.S. customer’s order and the date of delivery for your firm’s sales of greige polyester/cotton printcloth?

| Source | Share of 2004 sales | Lead time |
|-------------------|---------------------|-----------|
| From inventory | | |
| Produced to order | | |
| Total | 100% | |

PART III.--MARKET FACTORS--Continued

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-5. To what extent have changes in the prices of raw materials affected your firm’s selling prices for greige polyester/cotton printcloth during January 1999-December 2004? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-6. Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of Chinese-produced greige polyester/cotton printcloth in the U.S. market since 1983?

No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

III-7. (a) Do you anticipate any changes in terms of the availability of Chinese-produced greige polyester/cotton printcloth in the U.S. market in the future?

Increase No Change Decrease

(b) If you anticipate changes in supply, please identify the changes including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-8. Describe how easily your firm can shift its sales of greige polyester/cotton printcloth between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting greige polyester/cotton printcloth between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-9. Is the product range, product mix, or marketing of greige polyester/cotton printcloth in your home market significantly different from the product range, product mix, or marketing of greige polyester/cotton printcloth for export to the United States or to third-country markets? Have there been any significant changes in the product range, product mix, or marketing of greige polyester/cotton printcloth in your home market, for export to the United States, or for export to third-country markets since 1983?

No Yes--Please describe and quantify if possible.

III-10. Please discuss any anticipated changes in terms of product range, product mix, or marketing of greige polyester/cotton printcloth in your home market, for export to the United States, or for export to third-country markets in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

For questions on “greige polyester/cotton printcloth,” if your answer to any question would differ

between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-11. (a) Please list in order of importance any products that may be substituted for greige polyester/cotton printcloth.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for greige polyester/cotton printcloth?

No Yes--To what degree do changes in their prices affect the price for greige polyester/cotton printcloth? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of greige polyester/cotton printcloth or final end use?

III-12. Have there been any changes in the number or types of products that can be substituted for greige polyester/cotton printcloth since 1983?

No Yes--Please explain.

III-13. Do you anticipate any changes in terms of the substitutability of other products for greige polyester/cotton printcloth in the future?

No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

For questions on "greige polyester/cotton printcloth," if your answer to any question would differ

between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-14. Is the greige polyester/cotton printcloth produced by your firm and sold in its home market interchangeable (i.e., can be used in the same applications) with your firm's greige polyester/cotton printcloth sold to the United States and/or to third-country markets?

Yes No--Identify the market(s) and any differences in the products.

III-15. Describe the end uses of the greige polyester/cotton printcloth that you manufacture and sell to your home market. If these end uses differ from those of the greige polyester/cotton printcloth you sell to the U.S. market or to third-country markets, explain.

III-16. Have there been any changes in the end uses of greige polyester/cotton printcloth since 1983?

No Yes--Please describe.

III-17. Do you anticipate any changes in terms of the end uses of greige polyester/cotton printcloth in the future?

No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

For questions on "greige polyester/cotton printcloth," if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of

chief weight cotton, please provide separate answers for those products.

III-18. How has demand within your home market and the United States (and outside the United States, if known) for greige polyester/cotton printcloth changed since 1983?

Increased Unchanged Decreased

Other (describe) _____

What were the principal factors affecting changes in demand?

III-19. Do you anticipate any future changes in greige polyester/cotton printcloth demand in your home market and the United States and, if known, the rest of the world?

No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-20. Please compare market prices of greige polyester/cotton printcloth in your home market, the United States, and third-country markets, if known. Provide specific information as to time periods and regions for any price comparisons.

III-21. Describe briefly your home market for greige polyester/cotton printcloth, including the number of, and competition between, producers.

PART III.--MARKET FACTORS--Continued

For questions on "greige polyester/cotton printcloth," if your answer to any question would differ between (1) 50/50 greige polyester/cotton printcloth and (2) greige polyester/cotton printcloth of chief weight cotton, please provide separate answers for those products.

III-22. Do you face competition from imports of greige polyester/cotton printcloth in your home market?

No

Yes--Please identify the country sources of any imports of greige polyester/cotton printcloth into your home market.

III-23. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss greige polyester/cotton printcloth supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including China, and (3) the world as a whole. Of particular interest is such data from 1983 to the present and forecasts for the future.

III-24. Does your firm sell greige polyester/cotton printcloth over the internet?

No

Yes--Please describe, noting the estimated percentage of your firm's total sales of greige polyester/cotton printcloth in 2004 accounted for by internet sales.
