INTERNATIONAL TRADE COMMISSION

Agency Information Collection Activities; Proposed Collection; Comment Request

ACTION: Notice of Proposed Collection; Comment Request.

SUMMARY: Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. Ch. 35), the Commission intends to seek approval from the Office of Management and Budget to survey complainants who obtained exclusion orders that are currently in effect from the United States International Trade Commission following proceedings under 19 U.S.C. 1337. The survey will seek feedback on the effectiveness of its exclusion orders from complainants who obtained such orders under 19 U.S.C. 1337. The survey asks each firm responding to the survey to: (i) Evaluate whether the remedial exclusion order has prevented the importation of items covered by the order, (ii) if not, estimate what are the absolute value and effect in the United States market of such imports, and (iii) indicate what experience it has had in policing the exclusion order, particularly with respect to any investigatory efforts and any interactions with the U.S. Customs Service.

Responses to the survey are voluntary. The Commission estimates that the survey will require less than 1 hour to complete.

By order of the Commission.

Marilyn R. Abbott, Secretary to the Commission.
