

FOREIGN PRODUCERS'/EXPORTERS' QUESTIONNAIRE
CERTAIN AMMONIUM NITRATE FROM UKRAINE

Return completed questionnaire to:

UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615
500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than February 16, 2007

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping review investigation concerning certain ammonium nitrate from Ukraine (inv. No. 731-TA-894 (Review)). The information requested in the questionnaire is requested under authority of the Tariff Act of 1930, title VII.

Name of firm _____

Address _____

World Wide Web address _____

Has your firm produced or exported ammonium nitrate (as defined in the instruction booklet) at any time since January 1, 2001?

NO (Sign the certification below and promptly return only this page of the questionnaire to the Commission)

YES (Read the instruction booklet carefully, complete all parts of the questionnaire, sign the certification, and return the entire questionnaire to the Commission)

CERTIFICATION

I certify that the information herein supplied in response to this questionnaire is complete and correct to the best of my knowledge and belief and understand that the information submitted is subject to audit and verification by the Commission.

By signing this certification I also grant consent for the Commission, and its employees and contract personnel, to use the information provided in this questionnaire and throughout this review in any other import-injury investigations or reviews conducted by the Commission on the same or similar merchandise. (If you do not consent to such use, please note the certification accordingly.)

I acknowledge that information submitted in this questionnaire response and throughout this review may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of this review or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. I understand that all contract personnel will sign non-disclosure agreements.

PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____ hours _____ dollars

I-1b. We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. Please provide the names, street addresses (not P.O. boxes), contacts, telephone numbers, and e-mail addresses of the **FIVE** largest purchasers of your firm's HDAN destined for non-U.S. export markets in 2006.

I-4. In Parts II and III of this questionnaire we request a copy of your company's business plan. Does your company or any related firm have a business plan or any internal documents that describe, discuss, or analyze expected future market conditions for HDAN?

No Yes--Please provide the requested documents. If you are not providing the requested documents, please explain why not.

PART I.--GENERAL QUESTIONS--Continued

I-5. Does your firm or any related firm produce, have the capability to produce, or have any plans to produce HDAN in the United States or other countries?

No

Yes--Please name the firm(s) and country(ies) below and, if U.S. producer(s), ensure that they complete the Commission's producer questionnaire (contact Cynthia Trainor for copies of that questionnaire).

I-6. Does your firm or any related firm import or have any plans to import HDAN into the United States?

No

Yes--Please name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact Cynthia Trainor for copies of that questionnaire).

PART II.--TRADE AND RELATED INFORMATION

II-1. Has your firm experienced any plant openings, relocations, expansions, acquisitions, consolidations, closures, or prolonged shutdowns because of strikes or equipment failure; curtailment of production because of shortages of materials; or any other change in the character of your operations or organization relating to the production of HDAN since September 12, 2001 (the date on which the antidumping duty order under review became effective)?

No

Yes--Supply details as to the time, nature, and significance of such changes.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-2. Does your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of HDAN in the future?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue. **Include in your response a specific projection of your firm's capacity to produce HDAN (in short tons) for 2007 and 2008.**

II-3. Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of ammonium nitrate in the future if the antidumping duty order on HDAN from Ukraine were to be revoked?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

II-4. Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of HDAN in Ukraine in the future?

- No Yes--Please describe those plans, including planned dates and capacity/production quantities involved, and the reason(s) for such change(s). If the plans are to add or expand capacity or production, list (in descending order of importance) the markets (countries) to which such additional capacity or production would be directed. Provide relevant portions of business plans or other supporting documentation that addresses this issue.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-5. Describe the production technology used in the production of HDAN in Ukraine and identify major production inputs. Also discuss any significant changes in production technology since 2001 (the year the antidumping duty order(s) under review became effective).

II-6. Has your firm since 2001 produced, or does your firm anticipate producing in the future, other products on the same equipment and machinery used in the production of HDAN?

No Yes--List the following information and report your firm's combined production capacity and production of these products and HDAN in the periods indicated.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of capacity data</u>
_____	_____	_____
_____	_____	_____

<i>(Quantity in short tons)</i>

II-7. Has your firm since 2001 produced, or does your firm anticipate producing in the future, other products using the same production and related workers employed to produce HDAN?

No Yes--List the following information.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of employment data</u>
_____	_____	_____
_____	_____	_____

PART II.--TRADE AND RELATED INFORMATION--Continued

II-8. Please describe the constraint(s) that set the limit(s) on your production capacity.

II-9. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of HDAN?

_____ Percent

II-10. Is your firm able to switch production between HDAN and other products in response to a relative price change in the price of HDAN vis-a-vis the price of other products, using the same equipment and labor?

No Yes--Please identify below the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from HDAN.

II-11. Has your firm maintained any inventories of HDAN in the United States (not including inventories held by firms identified in questions I-3, I-5, or I-6 above¹) since 2001?

No Yes--Report the quantity (in short tons) of such **end-of-period** inventories below.

2001 **2002** **2003** **2004** **2005** **2006**

II-12. (a) Are your firm's exports of HDAN subject to tariff or non-tariff barriers to trade (for example, antidumping or countervailing duty findings or remedies, tariffs, quotas, or regulatory barriers) in any countries other than the United States?

No Yes--List the products(s), country(ies), the year each such barrier was imposed, and the type of barrier.

Product	Country	Year imposed	Barrier (if tariff, give rate)
----------------	----------------	---------------------	---------------------------------------

_____	_____	_____	_____
_____	_____	_____	_____

¹ Such firms will report inventories in the Commission's importer or producer questionnaire.

PART II.--TRADE AND RELATED INFORMATION--Continued

(b) Are your firm's exports of HDAN subject to current investigations in any countries other than the United States that might result in tariff or non-tariff barriers to trade?

No Yes--List the products(s), country(ies), and type of investigation.

Product	Country	Type of investigation
_____	_____	_____
_____	_____	_____

II-13. Identify export markets (other than the United States) that you have developed or where you have increased your sales of HDAN as a result of the antidumping duty order on HDAN from Ukraine. Please identify and discuss below.

II-14. Describe the significance of the existing antidumping duty order covering imports of HDAN from Ukraine in terms of its effect on your firm's production capacity, production, home market shipments, exports to the United States and other markets, and inventories. You may wish to compare your firm's operations before and after the imposition of the order.

II-15. Would your firm anticipate any changes in its production capacity, production, home market shipments, exports to the United States and other markets, or inventories relating to the production of HDAN in the future if the antidumping duty order on HDAN from Ukraine were to be revoked?

No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, for any trends or projections you may provide.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-16a. Please report production capacity, production, shipments, and inventories of HDAN produced by your firm in Ukraine in 2001-06.

PART III.--MARKET FACTORS

III-1. What is the average lead time between a customer's order and the date of delivery for your firm's sales of its Ukrainian-produced HDAN to customers in the United States and in Ukraine?

Source	Share of 2006 shipment quantity	Lead time (days)
U.S. customers:		
From inventory		
Produced to order		
Total	100%	
Ukrainian customers:		
From inventory		
Produced to order		
Total	100%	

III-2. a) If the U.S. antidumping order on HDAN from Ukraine had not been in place, were there any factors that would have inhibited or prevented your ability during 2001-2006 to shift your Ukrainian-produced HDAN produced for the home market and for export to third-country markets to the U.S. market within a 12-month period? Such factors may have included physical specifications or characteristics affecting the usability/acceptability in the U.S. market, long-term contracts with customers, or other factors. If any limiting factors are identified, provide answers separately for products produced for the home market and for non-U.S. export markets.

Produced for the home market: _____

Produced for non-U.S. export markets: _____

b) If the U.S. antidumping duty order on HDAN from Ukraine had not been in place, please estimate the share of the total quantity of your 2006 home-market shipments and of your 2006 exports to non-U.S. export markets of your Ukrainian-produced HDAN that could have been shifted to the U.S. market in a 12-month period. Indicate all non-U.S. export markets as a group or identify specific non-U.S. export markets, where applicable.

Home-market shipments: _____

Exports to non-U.S. export markets: _____

Report the share of your total 2006 exports of HDAN sold through trading companies: _____

PART III.--MARKET FACTORS--Continued

III-2. c) Are there factors that would change these percentages in the future?

Home-market shipments:

No Yes Please explain below, noting the future time period, the expected
changed share, and reason(s) for the change.

Exports to third-country markets:

No Yes Please explain below, noting the future time period, the expected changed share,
and reason(s) for the change. Indicate all non-U.S. export markets as a group or identify
specific non-U.S. export markets, where applicable.

III-3. Is the HDAN produced by your firm in Ukraine and sold in its home market during 2001-2006
interchangeable (i.e., can physically be used in the same applications) with your firm's HDAN
sold to the United States and to third-country markets?

Yes-- *Exported to United States* *Exported to third-countries*
(Check as applicable)

No--Please describe and quantify (if possible) the reasons for no interchangeability, and
identify separately for the United States and specific third-country markets

Partially--Please describe and quantify (if possible) the reasons for partial interchangeability,
and identify separately for the United States and specific third-country markets

PART III.--MARKET FACTORS--Continued

III-4. Describe the end uses of the HDAN that you manufactured in Ukraine and sold to your home market during 2001-2006; examples of end uses include single-nutrient nitrogenous fertilizer end uses (identify for pasture, hay, sod farm, and/or specific type(s) of crops), use in NPK or other fertilizer blends, etc. If these end uses differ from those of the HDAN you sell to the U.S. market or to third-country markets, explain.

III-5. Have there been any changes in the end uses of HDAN in the Ukraine, U.S., and third country markets since January 1, 2001 ?

No Yes--Please describe and identify the countries that you discuss.

III-6. Do you anticipate any future changes in terms of the end uses of HDAN in the Ukraine, U.S., and third-country markets?

No Yes--Please describe and identify the time period and country(ies). Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-7. a) Please explain to what extent, if any, your Ukrainian-produced HDAN held in inventory in Ukraine during 2001-2006 was not useable/acceptable in the U.S. market, was committed to customers by supply agreements, or other reasons that would inhibit increasing shipment quantities from these inventories to the U.S. market within a 12-month period.

PART III.--MARKET FACTORS--Continued

III-7. b) Estimate the share of the total quantity of your end-of-period inventories for 2006 in Ukraine of your Ukrainian-produced HDAN that could be used to increase shipments to the U.S. market in a 12-month period.

c) Is this share expected to change in the future?

No Yes If yes, please explain below, noting the future time period, the expected changed share, and reason(s) for the change.

III-8. a) Have there been any significant differences in the product range, product mix, or marketing (including sales over the internet) of your firm's HDAN in your home market from the product range, product mix, or marketing (including sales over the internet) of the HDAN exported by your firm to the U.S. market or third-country markets since January 1, 2001?

No- *Exported to United States* *Exported to third-countries*

(Check as applicable)

Yes--Please describe and quantify (if possible), and identify the specific foreign country(ies) for which you are responding.

b) Do you anticipate any significant future changes in the product range, product mix, or marketing of your firm's HDAN in the home market versus that exported to the United States and to third-country markets in the future?

No- *Exported to United States* *Exported to third-countries*

(Check as applicable)

Yes--Please describe and quantify if possible, identify the the time period for any change, and identify the specific foreign country(ies) for which you are responding.

PART III.--MARKET FACTORS--Continued

III-9. a) To what extent have changes in the prices of raw materials affected your firm's selling prices and quantities of its Ukrainian-produced HDAN shipped to customers in your home market, the U.S. market, and third-country markets during January 2001-December 2006 (discuss the impact on selling prices and quantities for each specific market)? Identify the raw materials and discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes.

b) Also discuss any possible or anticipated changes in your raw material costs or factors that may affect your raw material costs in the future, including any policies or programs of the Ukrainian Government that could affect the cost of natural gas to your firm. Also discuss the effects, if any, of any changes in your raw material costs on your selling prices and production quantities of HDAN. In responding to these questions, please identify the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address these issues.

PART III.--MARKET FACTORS--Continued

III-10. a) Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of Ukrainian-produced HDAN in the home market, U.S. market, or third-country markets since January 1, 2001?

No

Yes--For each specific country market, please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

b) Discuss any anticipated future changes in any other factors affecting supply, identifying the supply factors, the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

III-11. Do you anticipate any changes in terms of the availability of Ukrainian-produced HDAN in the Ukrainian market, the U.S. market, and in third-country markets in the future? If you anticipate changes in supply, please identify the changes including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, including changes in availability in these markets in the event the U.S. antidumping duty order is revoked, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

III-12. How has demand for HDAN changed within Ukraine, the United States, and third-country markets (if known) since January 1, 2001? Please discuss the principal factors affecting any changes in demand. Discuss as appropriate demand trends for single-nutrient nitrogenous fertilizer end uses (identify for pasture, sod farm, and/or specific type(s) of crops), for use in NPK or other fertilizer blends, for other uses, and/or different types of customers.

PART III.--MARKET FACTORS--Continued

III-13. Do you anticipate any future changes in HDAN demand in Ukraine, the United States, and third-country markets (if known)?

Ukraine:

No Yes--Please identify the time period, describe and quantity if possible, indicate the direction of change, and discuss as appropriate demand trends for single-nutrient nitrogenous fertilizer end uses (identify for pasture, hay, sod farm, and/or specific type(s) of crops), for use in NPK or other fertilizer blends, for other uses, and/or different types of customers. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

United States:

No Yes--Please identify the time period, describe and quantity if possible, indicate the direction of change, and discuss as appropriate demand trends for single-nutrient nitrogenous fertilizer end uses (identify for pasture, hay, sod farm, and/or specific type(s) of crops), for use in NPK or other fertilizer blends, for other uses, and/or different types of customers. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

Third-country markets (specify country(ies) _____):

No Yes--Please identify the time period, describe and quantity if possible, indicate the direction of change, and discuss as appropriate demand trends for single-nutrient nitrogenous fertilizer end uses (identify for pasture, hay, sod farm, and/or specific type(s) of crops), for use in NPK or other fertilizer blends, for other uses, and/or different types of customers. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue. Report separately, as appropriate, for each foreign country cited.

PART III.--MARKET FACTORS--Continued

III-14. Based on your firm's assessment of the Ukrainian market for HDAN, please list, in order of descending importance (by quantity of HDAN used), the top five Ukrainian crops, pasture, hay, turf grasses, etc., that used HDAN during 2001-2006.

- (1) _____
- (2) _____
- (3) _____
- (4) _____
- (5) _____

III-15. Are there factors other than relative price, such as, but not necessarily limited to, weather and soil conditions, that would result in Ukrainian farmers switching between HDAN and other single-nutrient nitrogenous fertilizers, such as, but not limited to, anhydrous ammonia, solid urea, UAN solutions with nitrogen contents of 28 percent to 32 percent by weight?

No Yes

If yes, please describe any significant shifts in Ukrainian consumption of HDAN vis-a-vis the other major single-nutrient nitrogenous fertilizers due to changes in technical factors such as weather, soil conditions, etc., during 2001-2006. In your discussion, please indicate the time period(s) of such changes, the specific other nitrogenous fertilizer(s) involved, the specific technical factors/changes associated with any such consumption shifts, and the principal crops affected.

PART III.--MARKET FACTORS--Continued

III-16. (a) Please list in order of importance the top three products that may be substituted for HDAN in the Ukrainian market. If none, please indicate. (*Substitute products are products that can, based on market price considerations and commercial/industrial user preferences/ technical requirements, reasonably be expected to substitute for each other when the price of one product changes vis-a-vis the price of the other product--some commercial/industrial users may require greater price changes than others before they switch among the alternative products.*) Please keep in mind that such substitution is the purchaser's willingness/ability to change the quantity it purchases of the subject product versus another product, in a 12-month period, **based on a change in the price of the subject product vis-a-vis the price of an alternative product.**

___ None (skip to question III-17)

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications/end uses; indicate any factors that limit the extent to which each possible substitute product may serve as a substitute for HDAN, including, e.g., application equipment, crop type, weather conditions, etc., for each application/use cited; and describe any product/application advantages and disadvantages of HDAN vis-a-vis any substitute products that you identify in each application/ end use.

(1) _____

Factors limiting use of this product as a substitute for HDAN: _____

Advantages of HDAN vis-a-vis this substitute: _____

Disadvantages of HDAN vis-a-vis this substitute: _____

(2) _____

Factors limiting use of this product as a substitute for HDAN: _____

Advantages of HDAN vis-a-vis this substitute: _____

Disadvantages of HDAN vis-a-vis this substitute: _____

(3) _____

Factors limiting use of this product as a substitute for HDAN: _____

Advantages of HDAN vis-a-vis this substitute: _____

Disadvantages of HDAN vis-a-vis this substitute: _____

PART III.--MARKET FACTORS--Continued

III-16. (c) Have changes in the prices of these substitute products affected the price and/or quantity (increases and/or decreases) for HDAN in the Ukrainian market since January 2001?

No Yes--Please explain whether changes in the relative prices of the above substitutes affected the price and/or quantity of HDAN or vice-a-versa. Also identify the percentage change in relative prices and the time lag for any such impact and whether this varies by application/end use.

(1) _____

(2) _____

(3) _____

III-17. Have there been any changes in the Ukrainian market in the number or types of products that can be substituted for HDAN since January 2001?

No Yes--Please explain.

III-18. a) What is the feasibility of using HDAN, either by itself or in combination with other products, as an explosive? Please include in your response, as appropriate, any instances and the conditions under which HDAN, either accidentally or intentionally, was used in an explosive in Ukraine during 2001-2006.

b) What is the feasibility of using LDAN, either by itself or in combination with other products, as a fertilizer? Please include in your response, as appropriate, any instances and the conditions under which LDAN was used as a fertilizer in Ukraine during 2001-2006.

PART III.--MARKET FACTORS--Continued

III-18. c) What is the feasibility in Ukraine of converting HDAN into LDAN and converting LDAN into HDAN? Please answer separately for each type of conversion and, if appropriate, specify for each conversion the time, cost, and procedure for any such conversion.

HDAN converted to LDAN: _____

LDAN converted to HDAN: _____

III-19. Do you anticipate any changes in the Ukrainian market in terms of the substitutability of other products for HDAN in the future?

No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-20. Please compare market prices of HDAN in your home market, the United States, and third-country markets, if known, during 2001-2006. Provide the bases for any price comparisons, and note the specific information as to price levels, products, time periods, and countries/regions for any price comparisons.

PART III.--MARKET FACTORS--Continued

III-21. Describe briefly your home market for HDAN, including the number of, and competition between, producers.

III-22. Does your firm face competition from imports of HDAN in your home market?

No Yes--Please identify the country sources of any imports of HDAN into your home market.

III-23. Does your firm sell the HDAN that it produces in Ukraine over the internet?

No Yes--Please describe, noting the estimated percentage of your firm's total sales quantity of its Ukrainian-produced HDAN in 2006 accounted for by internet sales.

III-24. Please provide as separate attachments to this request any studies, surveys, etc., that you are aware of that quantify and/or otherwise discuss HDAN demand and supply and/or factors affecting HDAN demand and supply in the (1) United States, (2) each of the major producing/consuming countries, including Ukraine and major nonsubject countries, and (3) the world as a whole. Of particular interest is such data on an annual basis from January 1, 2001 to the present and forecasts for the future.
