The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On April 10, 2006, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act.¹ The Commission found that the domestic interested party group response to its notice of institution (71 FR 138, January 3, 2006) was adequate and that the respondent interested party group response with respect to Brazil was adequate. The Commission determined to conduct a full review with respect to silicon metal from Brazil. The Commission found that the respondent interested party group response with respect to China was inadequate. However, the Commission determined to conduct a full review concerning silicon metal from China to promote administrative efficiency in light of its decision to conduct a full review with respect to silicon metal from Brazil. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.
