**Certain Crepe Paper Products From the People's Republic of China: Final Results of Expedited Sunset Review of Antidumping Duty Order**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce

**DATES:** *Effective Date:* March 29, 2010.

**SUMMARY:** On December 1, 2009, the Department of Commerce ("Department") initiated a sunset review of the antidumping duty order on certain crepe paper products from the People's Republic of China ("PRC"). On the basis of a timely notice of intent to participate, and an adequate substantive response filed on behalf of the domestic interested party, as well as a lack of response from respondent interested parties, the Department conducted an expedited sunset review. As a result of the sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping. The dumping margins are identified in the *Final Results of Review* section of this notice.

**SUPPLEMENTARY INFORMATION:**

**Background**

On December 1, 2009, the Department published the notice of initiation of the sunset review of the antidumping duty order on crepe paper products from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-Year ("Sunset") Review*, 74 FR 62748 (December 1, 2009). On December 3, 2009, the Department received a notice of intent to participate from a domestic producer, Seaman Paper Company of Massachusetts ("Seaman Paper," "domestic interested party," or "Petitioner"). Submission of the notice of intent to participate filed by Petitioner was within the deadline specified in section 351.218(d)(1)(i) of the Department's regulations. The domestic interested party claimed interested party status under section 771(9)(C) of the Act, as Seaman Paper is a domestic manufacturer of crepe paper products in the United States. On December 31, 2009, the Department received a substantive response from the domestic interested party within the deadline specified in section 351.218(d)(3)(i) of the Department's regulations. We did not receive responses from any respondent interested parties to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations, the Department determined to conduct an expedited review of the order.

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding have been extended by seven days. The revised deadline for the final of this expedited review is now April 7, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

**Scope of the Order**

For purposes of the order, the term "certain crepe paper" includes crepe paper products that have a basis weight not exceeding 29 grams per square meter prior to being creped and, if appropriate, flame-proofed. Crepe paper has a finely wrinkled surface texture and typically but not exclusively is treated to be flame-retardant. Crepe

paper is typically but not exclusively produced as streamers in roll form and packaged in plastic bags. Crepe paper may or may not be bleached, dye colored, surface-colored, surface decorated or printed, glazed, sequined, embossed, die-cut, and/or flame retardant. Subject crepe paper may be rolled, flat or folded, and may be packaged by banding or wrapping with paper, by placing in plastic bags, and/or by placing in boxes for distribution and use by the ultimate consumer. Packages of crepe paper subject to the order may consist solely of crepe paper of one color and/or style, or may contain multiple colors and/or styles. The merchandise subject to the order does not have specific classification numbers assigned to them under the Harmonized Tariff Schedule of the United States ("HTSUS"). Subject merchandise may be under one or more of several different HTSUS subheadings, including: 4802.30; 4802.54; 4802.61; 4802.62; 4802.69; 4804.39; 4806.40; 4808.30; 4808.90; 4811.90; 4818.90; 4823.90; 9505.90.40. The tariff classifications are provided for convenience and customs purposes; however, the written description of the scope of the order is dispositive.

#### Analysis of Comments Received

All issues raised in this review are addressed in the "Issues and Decision Memorandum" ("Decision Memorandum") from John M. Andersen, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, dated March 23, 2010, which is hereby adopted by this notice. The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the order were revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit in room 1117 of the main Commerce building.

In addition, a complete version of the Decision Memorandum can be accessed directly on the web at <http://ia.ita.doc.gov/frn>. The paper copy and electronic version of the Decision Memorandum are identical in content.

#### Final Results of Review
