DATES: Effective December 23, 2013.

FOR FURTHER INFORMATION CONTACT: Myrna Lobo, Elfi Blum-Page, or Lingjun Wang, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2371, (202) 482-0197, and (202) 482-2316, respectively.

Alignment of Final CVD Determination With Final AD Determination

On the same day the Department initiated this CVD investigation, the Department also initiated AD investigations of OCTG from India and several other countries.¹ The CVD investigation and the AD investigations cover the same merchandise. On December 16, 2013, in accordance with section 705(a)(1) of the Tariff Act of 1930, as amended (Act), alignment of the final CVD determination with the final AD determination of OCTG from India was requested by the petitioner.² Therefore, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), we are aligning the final CVD determination with the final AD determination. Consequently, the final CVD determination will be issued on the same date as the final AD

determination, which is currently scheduled to be issued no later than April 29, 2014, unless postponed.

Scope of the Investigation

The merchandise covered by the investigation is certain oil country tubular goods (OCTG), which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (e.g., whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the investigation also covers OCTG coupling stock. For a complete description of the scope of the investigation, see Appendix to this notice.

Methodology

The Department is conducting this countervailing duty (CVD) investigation in accordance with section 701 of the Act.³ For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.⁴ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In

³ As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013. See Memorandum for the Record from Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Deadlines Affected by the Shutdown of the Federal Government" (October 18, 2013). Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department's practice, the deadline will become the next business day.

⁴ See Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance regarding "Decision Memorandum for the Preliminary Determination in the Countervailing Duty Investigation of Certain Oil Country Tubular Goods from India," dated concurrently with this notice (Preliminary Decision Memorandum).

addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://trade.gov/enforcement/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated a CVD rate for each individually investigated producer/exporter of the subject merchandise. We relied on section 776 of the Act in determining the countervailability of certain programs. Sections 703(d) and 705(c)(5)(A) of the Act state that for companies not individually investigated, we will determine an all-others rate by weighting the individual company subsidy rate of each of the companies investigated by each company's exports of subject merchandise to the United States. However, the all-others rate may not include zero and *de minimis* rates or any rates based entirely on the facts available. In this investigation, the only rate that is not *de minimis* or based entirely on facts available is the rate calculated for GVN Fuels Limited/Maharashtra Seamless Limited/Jindal Pipes Limited (GVN/MSL/JPL). Consequently, the rate calculated for GVN/MSL/JPL is also assigned as the "all others" rate.

Preliminary Determination and Suspension of Liquidation

We preliminarily determine the countervailable subsidy rates to be:

Company	Subsidy rate
GVN Fuels Limited/ Maharashtra Seamless Limited/Jindal Pipes Limited.	3.50 percent.
Jindal SAW Limited	0.97 percent (<i>de minimis</i>).
All Others	3.50 percent.

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing U.S. Customs and Border Protection to suspend liquidation of all entries of OCTG from India that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit for such entries of merchandise in the amounts indicated above. We are not, however, ordering suspension of liquidation or the collection of cash deposits on entries by Jindal SAW Limited because its CVD rate is *de minimis*.

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of announcement of its public announcement.⁵ The Department will conduct verification of the questionnaire responses submitted in this investigation. Interested parties may submit written comments (case briefs) no later than one week after the issuance of the final verification report and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs. Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Interested parties, who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce within 30 days after the date of publication of this notice.⁶ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.⁷ Parties should confirm by telephone the date, time, and location of the hearing.

Parties are reminded that briefs and hearing requests are to be filed electronically using IA ACCESS and that electronically filed documents must be received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

ITC Notification

In accordance with section 703(f) of the Act, we will notify the U.S. International Trade Commission (ITC) of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative

SUPPLEMENTARY INFORMATION:

Background

On August 8, 2013, the Department of Commerce (“the Department”) initiated antidumping duty investigations on ferrosilicon from the Russian Federation (“Russia”) and Venezuela.¹ The *Initiation Notice* stated that, unless postponed, the Department would issue its preliminary determinations in these investigations no later than 140 days after the date of issuance of the initiations, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.205(b)(1).²

October 1, through October 16, 2013.³ Therefore, all deadlines in these investigations have been extended by 16 days. The tolled deadline for the preliminary determinations of these investigations is January 13, 2014.

Postponement of the Preliminary Determinations

On December 5, 2013, Petitioners⁴ made a timely request, pursuant to 19 CFR 351.205(e), for postponement of the preliminary determinations in these investigations to afford the Department additional time to review the respondent’s sections A, B, C, and D questionnaire submissions and supplemental responses with revised data, as well as other information critical to the proceedings, such as the cost investigation of Russian ferrosilicon, the mandatory respondent’s complex corporate structure and sales processes,⁵ review all questionnaire responses and supplemental responses complicated by a potential cost investigation of FerroAtlantica de Venezuela, S.A.⁶ (“FerroVen”), and data reported by FerroVen affected by high inflation in the Venezuelan economy.⁷

Because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determinations in these investigations by 50 days to March 4, 2014, pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e). In accordance with section 735(a)(1) of the Act, the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless extended at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

DATES: *Effective Date:* December 23, 2013.

FOR FURTHER INFORMATION: Michael A. Romani or Mino Hatten, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0198 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department received a notice of intent to participate in these sunset reviews from Magnum Magnetics Corporation (the domestic interested party), within the 15-day period specified in 19 CFR 351.218(d)(1)(i).
