GENERAL INFORMATION

Background.--On May 30, 2008, the Department of Commerce issued an antidumping duty order on imports of light-walled rectangular pipe and tube from Turkey (73 FR 31065). On August 5, 2008, the Department of Commerce issued a countervailing duty order on imports of light-walled rectangular pipe and tube from China (73 FR 45405) and antidumping duty orders on imports of light-walled rectangular pipe and tube from China, Korea, and Mexico (73 FR 45403). On April 1, 2013, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether determine whether revocation of the countervailing duty order on light-walled rectangular pipe and tube from China and the antidumping duty orders on light-walled rectangular pipe and tube from China, Korea, Mexico, and Turkey would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time (78 FR 19526). If Commerce and the Commission make affirmative determinations, the orders will remain in place. If either agency makes negative determinations, Commerce will revoke the order.
