In this proceeding, the Commission must determine whether there is a reasonable indication that an industry in the United States is materially injured or is threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from India and Thailand of certain steel threaded rod that are allegedly subsidized and sold in the United States at less than fair value. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

As noted in the instruction booklet, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than **July 11, 2013**. Please direct questions regarding the questionnaire and correspondence to Nathanael Comly (nathanael.comly@usitc.gov, 202-205-3174) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436.
