

DEPARTMENT OF COMMERCE**Office of the Secretary****Renewal of Currently Approved Information Collection; Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery**

AGENCY: Office of the Chief Information Officer, Office of the Secretary, Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. The purpose of this notice is to allow for 60 days of public comment.

DATES: Written comments must be submitted on or before May 22, 2017.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at PRAComments@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Jennifer Jessup at PRAComments@doc.gov or by telephone (202) 482-3306.

SUPPLEMENTARY INFORMATION:**I. Abstract**

Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that the Department of Commerce (DOC) programs are effective and meet our customers' needs we use a generic clearance process to collect qualitative feedback on our service delivery. This collection of information is necessary to enable DOC to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving service delivery. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with the programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service,

or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between DOC and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance.

This request is an extension of the 'generic fast-track' process offered to all government agencies by OMB in 2010. Fast-track means each request receives approval five days after submission, if no issues are brought to DOC's attention by OMB within the five days.

II. Method of Collection

The primary method of collection will be the Internet (electronically), paper format, email, fax, interviews, etc.

III. Data

OMB Control Number: 0690-0030.

Form Number(s): Not applicable.

Type of Review: Regular submission (extension of a currently approved collection).

Affected Public: Individuals or Households, Businesses or for-profit organizations, State, Local or Tribal Government, etc.

Estimated Number of Respondents: 244,710.

Estimated Time per Response: 5 to 30 minutes for surveys; 1 to 2 hours for focus groups; 30 minutes to 1 hour for interviews.

Estimated Total of Burden Hours: 631,334.

Estimated Total Cost to Public: \$0.

Frequency of Requests: One-time.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost of the proposed collection of information); (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Sheleen Dumas,

PRA Departmental Lead, Office of the Chief Information Officer.

Countervailing Duty Investigation of 1-Hydroxyethylidene-1, 1-Diphosphonic Acid From the People's Republic of China: Final Affirmative Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) determines that

countervailable subsidies are being provided to producers and exporters of 1-Hydroxyethylidene-1, 1-Diphosphonic Acid (HEDP) from the People's Republic of China (PRC). The period of investigation is January 1, 2015, through December 31, 2015. For information on the estimated subsidy rates, see the "Suspension of Liquidation" section of this notice.

DATES: Effective March 23, 2017.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos or Matthew Renkey, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone 202.482.2243 or 202.482.2312, respectively.

SUPPLEMENTARY INFORMATION:

Background

The petitioner in this investigation is Compass Chemical International LLC (Petitioner). In addition to the Government of China (GOC), the mandatory respondents in this investigation are Nanjing University of Chemical Technology Changzhou Wujin Water Quality Stabilizer Factory (Wujin Water) and Shandong Taihe Water Treatment Technologies Co., Ltd. (Taihe Technologies). The Department has determined that Taihe Technologies is affiliated with Shandong Taihe Chemicals Co., Ltd. (Taihe Chemicals), a trading company, and will refer to them collectively as "Taihe Companies."

The Department published its *Preliminary Determination* on September 8, 2016.¹ On March 2, 2017, the Department issued a Post-Preliminary Analysis.² A complete summary of the events that occurred since the *Preliminary Determination*, as well as a full discussion of the issues raised by the parties for this final determination, may be found in the Issues and Decision Memorandum

accompanying the Final Affirmative Determination,³ which is dated concurrently with, and hereby adopted by, this notice. The Issues and Decision Memorandum is a public document and is available electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Access to ACCESS is available to registered users at <https://access.trade.gov> and to all parties in the Central Records Unit, Room B8024 of the Department's main building. In addition, a complete version of the Issues and Decision Memorandum can be viewed at <http://enforcement.trade.gov/frn>. The signed Issues and Decision Memorandum and the electronic version are identical in content.

Methodology

The Department is conducting this countervailing duty (CVD) investigation in accordance with section 701 of the Tariff Act of 1930, as amended (Act). For each of the subsidy programs found to be countervailable, we determine that there is a subsidy (*i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient) and that the subsidy is specific. For a full description of the methodology underlying our final determination, *see* the Issues and Decisions Memorandum.

Scope of the Investigation

The product covered by this investigation is HEDP from the PRC. For a complete description of the scope of this investigation, *see* Appendix II.

Analysis of Subsidy Programs and Comments Received

All issues raised in the comments filed by interested parties to this proceeding are discussed in the Issues and Decision Memorandum. A list of the issues raised by interested parties and responded to by the Department in

the Issues and Decisions Memorandum are attached at Appendix I to this notice.

Use of Adverse Facts Available

For purposes of this final determination, we relied on facts available, and because certain respondents did not act to the best of their ability in responding to the Department's requests for information, we drew an adverse inference, where appropriate, in selecting from among the facts otherwise available.⁴ A full discussion of our decision to rely on adverse facts available is presented in the "Use of Facts Otherwise Available and Adverse Inferences" section of the Issues and Decisions Memorandum.

Final Determination

In accordance with section 705(c)(1)(B)(i)(I) of the Act, we calculated an estimated individual countervailable subsidy rate for each producer/exporter of the subject merchandise individually investigated.

In accordance with section 705(c)(5)(A) of the Act, for companies not individually investigated, we applied an "all-others" rate, which is normally calculated by weighting the subsidy rates of the individual companies selected as mandatory respondents by those companies' exports of the subject merchandise to the United States. Under section 705(c)(5)(A)(i) of the Act, the all-others rate excludes zero and *de minimis* rates calculated for the exporters and producers individually investigated, as well as rates based entirely on facts otherwise available. In this investigation, the only non-*de minimis* rate, or rate not based entirely on facts otherwise available, is the rate calculated for the Taihe Companies. Consequently, the rate calculated for the Taihe Companies is assigned as the "all others" rate.

Company	Subsidy rate (percent <i>ad valorem</i>)
Nanjing University of Chemical Technology Changzhou Wujin Water Quality Stabilizer Factory (Wujin Water)	0.75 (<i>de minimis</i>)
Shandong Taihe Chemicals Co., Ltd. and Shandong Taihe Water Treatment Technologies Co., Ltd. (Taihe Companies)	2.40
All-Others	2.40
* Changzhou Kewei Fine Chemicals Co., Ltd	54.11
* Hebei Longke Water Treatment Co., Ltd	54.11

Diphosphonic Acid from the People's Republic of China: Issues and Decision Memorandum for the Final Affirmative Determination," dated concurrently with this notice (Issues and Decisions Memorandum).

⁴ See sections 776(a) and (b) of the Act.

Company	Subsidy rate (percent <i>ad valorem</i>)
* Shandong Huayou Chemistry Co., Ltd	54.11
* Shandong Xintai Water Treatment Technology	54.11
* Zaozhuang Fuxing Water Treatment Technology	54.11
* Zaozhuang YouBang Chemicals Co., Ltd	54.11
* Zouping Dongfang Chemical Industry Co., Ltd	54.11

* Non-cooperative company to which an adverse facts available rate is being applied. See "Use of Facts Otherwise Available and Adverse Inferences" section in the Issues and Decisions Memorandum.

Disclosure

We intend to disclose to parties in this proceeding the calculations performed for this final determination within five days of the date of public announcement of our final determination, in accordance with 19 CFR 351.224(b).

Suspension of Liquidation

As a result of our *Preliminary Determination* and pursuant to section 703(d) of the Act, we instructed U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of HEDP from the PRC, that were entered, or withdrawn from warehouse, for consumption on or after September 8, 2016, the date of the publication of the *Preliminary Determination* in the **Federal Register**. In accordance with section 703(d) of the Act, we instructed CBP to discontinue the suspension of liquidation for CVD purposes for subject merchandise entered, or withdrawn from warehouse, on or after January 6, 2017, but to continue the suspension of liquidation of all entries from September 8, 2016, through January 5, 2017.

If the U.S. International Trade Commission (ITC) issues a final affirmative injury determination, we will issue a CVD order and reinstate the suspension of liquidation under section 706(a) of the Act, requiring a cash deposit of estimated CVDs for such entries of subject merchandise in the amounts indicated above. If the ITC determines that material injury, or threat of material injury, does not exist, this proceeding will be terminated and all estimated duties deposited or securities posted as a result of the suspension of liquidation will be refunded or canceled.

International Trade Commission Notification

In accordance with section 705(d) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC

access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order (APO), without the written consent of the Assistant Secretary for Enforcement and Compliance.

Return or Destruction of Proprietary Information

In the event that the ITC issues a final negative injury determination, this notice will serve as the only reminder to parties subject to an APO of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or, alternatively, conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This determination is published pursuant to sections 705(d) and 777(i) of the Act.

Dated: March 20, 2017.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.
