## UNITED STATES INTERNATIONAL TRADE COMMISSION

---

WASHINGTON, DC 20436

To Whom It May Concern:

This questionnaire pertains to crystalline silicon photovoltaic ("CSPV") cells, whether or not partially or fully assembled into other products. The United States International Trade Commission is investigating these items under section 202 of the Trade Act of 1974 (19 U.S.C. § 2252).

In this proceeding, the Commission must determine whether an article is being imported in such increased quantities as to be a substantial cause of serious injury or the threat of serious injury to a U.S. industry. The Commission has posted its notice of this proceeding (attached) on its website ([www.usitc.gov](http://www.usitc.gov)) and published it in the *Federal Register* (82 FR 25331, June 1, 2017).

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

As noted on the last page of the questionnaire, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than **June 29, 2017**. Please direct questions regarding the questionnaire and correspondence to Mary Messer ([mary.messer@usitc.gov](mailto:mary.messer@usitc.gov)) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436. Correspondence may also be sent to the above address or via FAX to 202-205-3205.

Sincerely,

  
FOR

Michael G. Anderson  
Director
