**SUPPLEMENTARY INFORMATION:** On December 13, 2018, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Juul Labs, Inc. of San Francisco, California (“Complainant”). See 83 FR 64156–57 (Dec. 13, 2018). The complaint, as amended and supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic nicotine delivery systems and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 10,070,669; 10,076,139; 10,045,568; 10,058,130; and 10,104,915. On May 9, 2019, Complainant and Respondent filed a joint motion (“Motion”) to amend the amended complaint and NOI to correct the name of Respondent from its alias “Ziiip Lab Co., Ltd.” to its legal name “SS Group Holdings.” OUII and certain respondents indicated that they do not oppose the Motion while other respondents indicated that they take no position with respect to the Motion.

On May 21, 2019, the ALJ issued the subject ID (Order No. 26) granting the Motion. The ID finds that, under Commission Rule 210.14(b), 19 CFR 210.14(b), “good cause exists to amend the amended complaint and notice of investigation to conform to the correct information.” See ID at 2. In addition, the ID finds that “this amendment

would not prejudice the public interest or the rights of the parties to the investigation.” See *id.*

No petition for review of the subject ID was filed. The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 14, 2019.

[Investigation Nos. 701–TA–623 and 731–TA–1449 (Preliminary)]

### Vertical Metal File Cabinets From China

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of vertical metal file cabinets (“VMFCs”) from China, provided for in subheading(s) 9403.10.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and to be subsidized by the government of China.<sup>2</sup>

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission’s rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission’s rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary

determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Any parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

### Background

On April 30, 2019, Hirsh Industries LLC (“Hirsh”), Des Moines, IA, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of VMFCs from China and LTFV imports of VMFCs from China. Accordingly, effective April 30, 2019, the Commission, pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)), instituted countervailing duty investigation No. 701-TA-623 and antidumping duty investigation No. 731-TA-1449 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of May 7, 2019 (84 FR 19958). The conference was held in Washington, DC, on May 21, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on June 14, 2019. The views of the Commission are contained in USITC Publication 4914 (June 2019), entitled *Vertical Metal File Cabinets from China: Investigation Nos. 701-TA-623 and 731-TA-1449 (Preliminary)*.

By order of the Commission.
