DEPARTMENT OF COMMERCE

International Trade Administration

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these expedited sunset reviews, the Department of Commerce (Commerce) finds that revocation of the countervailing duty orders on certain cold-rolled steel flat products (cold-rolled steel) from the People’s Republic of China (China) and the Republic of Korea (Korea) would be likely to lead to continuation or recurrence of countervailable subsidies at the levels as indicated in the “Final Results of Sunset Reviews” section of this notice.

FOR FURTHER INFORMATION CONTACT: Tyler Weinhold or Harrison Tanchuck, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3362 and (202) 482–7421 respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 1, 2021, Commerce published the notice of initiation of the first sunset reviews of the Orders, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). Commerce received a notice of intent to participate from Cleveland-Cliffs Inc., California Steel Industries and Steel Dynamics Inc., Nucor Corporation, and United States Steel Corporation (collectively, domestic interested parties) within the deadline specified in 19 CFR 351.218(d)(1)(i). Each claimed

interested party status under section 771(9)(C) of the Act as domestic producers engaged in the production in the United States of cold-rolled steel.

Commerce received a substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We did not receive a substantive response from any other interested party in these proceedings, and no party requested a hearing.

On July 22, 2021, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties. As a result, pursuant to section 751(c)(5)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited (120-day) sunset reviews of these Orders.

Scope of the Orders

The products covered by these Orders are certain cold-rolled (cold-reduced), flat-rolled steel products. For a complete description of the scope of this order, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in these sunset reviews are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of countervailable subsidies and the net countervailable subsidy likely to prevail if the Orders were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Services System (ACCESS). ACCESS is available to registered users at http://access.trade.gov. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at https://enforcement.trade.gov/frn/index.html.
