

products by implementing procedures that allow products to be placed on or removed from a product list, on a timely basis, and in a manner that is consistent with normal business practice. The procedures are intended to facilitate the transmission of requests; allow the market to indicate the availability of the supply of products that are the subject of requests; make available promptly, to interested entities and the public, information regarding the requests for products and offers received for those products; ensure wide participation by interested entities and parties; allow for careful review and consideration of information provided to substantiate requests and responses; and provide timely public dissemination of information used by CITA in making commercial availability determinations.

CITA must collect certain information about fabric, yarn, or fiber technical specifications and the production capabilities of Peruvian and U.S. textile producers to determine whether certain fabrics, yarns, or fibers are available in commercial quantities in a timely manner in the United States or Peru, subject to Section 203(o) of the Agreement.

## II. Method of Collection

Participants in a commercial availability proceeding must submit public versions of their Requests, Responses or Rebuttals electronically (via email) for posting on OTEXA's website. Confidential versions of those submissions which contain business confidential information must be delivered in hard copy to the Office of Textiles and Apparel (OTEXA) at the U.S. Department of Commerce.

### Glycine From the People's Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of this sunset review, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on glycine from the People's Republic of China (China) would likely lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Sunset Review" section of this notice.

**DATES:** Applicable April 29, 2022.

## SUPPLEMENTARY INFORMATION:

### Background

On March 29, 1995, Commerce published the AD order on glycine from China.<sup>1</sup> On January 3, 2022, Commerce published a notice of initiation of the fifth sunset review of the *Order*, pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On January 10, 2022, Commerce received a timely notice of intent to participate in this sunset review from GEO Specialty Chemicals, Inc. (domestic interested party) within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> The domestic interested party claimed interested party status under section 771(9)(C) of the Act, as a manufacturer of a domestic like product in the United States.

Commerce received a complete substantive response from the domestic interested party within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>4</sup> We received no substantive responses from respondent interested parties. As a result, pursuant to section 751(c)(3) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Order*.

### Scope of the Order

The merchandise subject to the *Order* is glycine. These imports are currently classified under subheading 2922.49.4020 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheading is provided for convenience and customs purposes. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.<sup>5</sup> The written

<sup>5</sup> See Memorandum, "Issues and Decision Memorandum for the Expedited Sunset Review of the Antidumping Duty Order on Glycine from the People's Republic of China," dated concurrently

description of the scope of the *Order* is dispositive.

### Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of dumping, and the magnitude of the margins of dumping likely to prevail if this *Order* were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. A list of topics discussed in the Issues and Decision Memorandum is included as the appendix to this notice. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(c)(3) of the Act, we determine that revocation of the *Order* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the margins of dumping likely to prevail would be up to 155.89 percent.

### Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

### Notification to Interested Parties

We are issuing and publishing these results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218.

Dated: April 25, 2022.

### Emulsion Styrene-Butadiene Rubber From Italy: Preliminary Affirmative Determination of Sales at Less Than Fair Value

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that emulsion styrene-butadiene rubber (ESBR) from Italy is being, or is likely to be, sold in the United States at less than fair value (LTFV). The period of investigation (POI) is October 1, 2020, through September 30, 2021. Interested parties are invited to comment on this preliminary determination.

**DATES:** Applicable April 29, 2022.

#### SUPPLEMENTARY INFORMATION:

### Background

This preliminary determination is made in accordance with section 733(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on December 10, 2021.<sup>1</sup> For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.<sup>2</sup> A list of topics included in the Preliminary Decision

<sup>2</sup> See Memorandum, “Emulsion Styrene-Butadiene Rubber from Italy: Decision Memorandum for the Preliminary Affirmative Determination of Sales at Less-Than-Fair-Value,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Scope of the Investigation

The product covered by this investigation is ESRB from Italy. For a complete description of the scope of this investigation, see Appendix I.

### Scope Comments

In accordance with the preamble to Commerce's regulations,<sup>3</sup> the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).<sup>4</sup> On January 10, 2022, we received timely-filed comments from the petitioner regarding the scope of this investigation that affirmed the scope published in the *Initiation Notice*.<sup>5</sup> We received no rebuttal comments regarding the scope of the investigation. Thus, Commerce is not preliminarily modifying the scope language as it appeared in the *Initiation Notice*.

### Methodology

Commerce is conducting this investigation in accordance with section 731 of the Act. The only mandatory respondent, Versalis S.p.A. (Versalis), submitted a letter of non-participation for this investigation on January 7, 2022.<sup>6</sup> As a result, pursuant to section 776(a) and (b) of the Act, Commerce has preliminarily relied upon facts otherwise available, with adverse inferences for Versalis. For a full description of the methodology underlying the preliminary determination, see the Preliminary Decision Memorandum.
