criteria above, at-large representatives will be selected based on their ability to represent specific interests that might not be represented by the selected regional representatives.

Generally, only elected officers of a tribal government acting in their official capacities with authority to act on behalf of the tribal government may serve as TIAC representatives or alternates of the TIAC. However, tribal employees are also eligible to serve if appointed by a duly elected tribal leader of a federally recognized tribe and are authorized to officially act on the Tribal government’s behalf. Elected officials representing Alaska Native Corporations, or designated employees, may also serve on TIAC at HUD’s discretion provided they demonstrate that they meet the criteria specified in the statutory exemption to the Federal Advisory Committee Act (FACA) found in the Unfunded Mandates Reform Act (UMRA) at 2 U.S.C. 1534(b).

Because the TIAC will operate under the Tribal government statutory exemption to the Federal Advisory Committee Act (FACA) found in the Unfunded Mandates Reform Act (UMRA) at 2 U.S.C. 1534(b), HUD will not consider nominees solely representing Tribally Designated Housing Entities, state recognized Tribes, or national or regional organizations. However, HUD will consider nominations from associations that represent elected officials of Tribes who have been designated by an elected Tribal leader to participate in TIAC.
